This item is currently not exposed. If you **expose** it, users will be able to change the filter as they view it. Expose

Operator:

Is one of

Is all of

Is none of

Reduce duplicates

This filter can cause items that have more than one of the selected options to appear as duplicate results. If this filter causes duplicate results to occur, this checkbox can reduce those duplicates; however, the more terms it has to search for, the less performant the query will be, so use this with caution.

Options:

[Blog Author](#)

[DD Student](#)

[Primary Editor](#)

The Daily Nugget http://localhost:8888/drupal/blogs/Daily_Nugget

Daily_Nugget

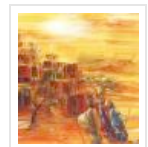

Our group likes to assemble stuff like this.

Who Done it?!! <http://localhost:8888/drupal/blogs/smith>

smith

I will write short stories about crime in which religious ideas are central.

Who, me? <http://localhost:8888/drupal/blogs/hays>

hays

People always blame me for things, but I'm not really the one who did it. It was one of those other guys.
